Almost 200 supporters of WTTM turned out on a gorgeous Saturday morning for our inaugural 5K fundraising event.

5K a Huge Success

Many thanks to our sponsors, donors, participants and volunteers that helped make our inaugural 5K fundraiser a big success!

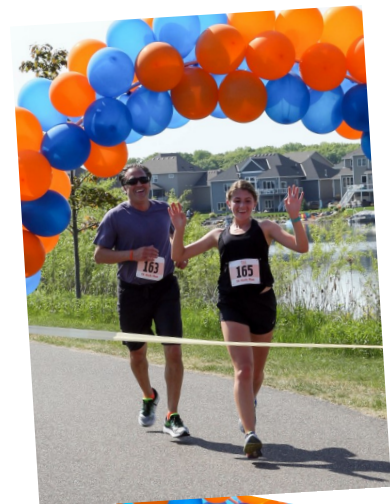

Almost 200 supporters came out to run, rollerblade, walk and stroll the beautiful course in The Lakes of Blaine community.

Fun was had by all and although not officially timed, the race was won by Sophie Johnson, along with her father Todd in a time of 23:55.

With the help of a silent auction, more than \$10,000 was raised for projects that are slated for later this year! We are so grateful to our supporters and especially to God for exceeding our fundraising goals at this one single event.

Stay tuned for the 2nd annual event to happen in the Spring of 2017!

In His Almighty Grip,

Ministry Spotlight

We were first introduced to Susi Morales on our first build trip to El Zorrillo last October. The team quickly fell in love with her and her 2 children, Andy and Ruby. Susi is what you would consider a joyful Christian, always ready with a smile or kind word.

Her job as a *cocinera* plays a vital role in the feeding program we help to support which feeds 120 kids twice per day during the school week..

She was married to Pancho in March and they have now outgrown their 144-square foot home. Pancho is legally blind but that doesn't deter him from preaching the Word on a regular basis.

We will be gifting them a 20' x 20' home in October which will significantly increase their living space.

Left: a recent photo of Pancho and Susi.

Above: A 144-square ft. home similar to this is what they currently reside in along with Susi's 2 children.

Make your gift work harder by doubling it through a matching gift from your employer. Hundreds of companies will match the charitable gifts made or volunteer hours logged by their employees or retirees. Both large companies and small businesses match. Simply completing a short form from your employer's human resources department can mean another gift to the charity of your choice.

100% of all donations to WTTM are used to benefit those we serve. In fact, as illustrated by the chart at left, an astounding 84% is used in on-field applications. Of the remaining 16%, half has been banked for future projects. The remaining 8% was used for marketing, such as this newsletter and its postage, and legal fees for the initial 501(c)3 process. Our ongoing commitment is to continue using this model of stewardship all monies received.
