Smiles all around after another deserving family receives the keys to their new home.

It's About Changing Lives

It's said that good things come in threes. If you were to ask either of the 3 families who received a home this Fall, they would most likely disagree. Fact is, as far as they are concerned, *great things come to one family at a time!*

As a ministry, we were able to come alongside three impoverished families to give them a hand-up in life by constructing a home for them. Because of the temperate climate where we work, shelter often becomes an item that shifts lower on the priority list. But, along with that enter a whole host of other problems, not the least of which are health and stability. By gifting them these modest homes, we accomplish in 2 days what it would take these families 9 years to replicate on their own. No longer do they have to decide between shelter and food. Or shelter and healthcare. Or education for their children. That last item alone can make or break the cycle of poverty.

A big thank-you goes out to Tradition Capital Bank, The Richard and Dorothy Keiser Family, and you, our most generous supporters for making an eternal difference in the lives of these very special families!

In His Almighty Grip,

5K Another Huge Success

Many thanks to our sponsors, donors, participants and volunteers that helped make our 2nd Annual 5K fundraiser a big success!

Despite rainy, cold conditions, almost 100 supporters came out to run, walk and stroll the beautiful course in The Lakes of Blaine community.

Fun was had by all and although not officially timed, the race was won by Leighton Tripp, along with good friend Cody Clarke in a time of 23:01.

With the help of a silent auction, more than \$9,600 was raised for projects that were completed this year! We are so grateful to our supporters and especially to God for exceeding our fundraising goals at this one single event.

Stay tuned for the 3rd annual event to happen in the Spring of 2018!

Feeding Programs

Our teams are also often privileged enough to be directly involved in the feeding programs that we support. In addition to supplying the necessary funds, we were able to purchase and deliver food staples during our October and November visits.

An added privilege was to dispense food to individual families in Durango, the Colonia where it all began for us.

Make your gift work harder by doubling it through a matching gift from your employer. Hundreds of companies will match the charitable gifts made or volunteer hours logged by their employees or retirees. Both large companies and small businesses match. Simply completing a short form from your employer's human resources department can mean another gift to the charity of your choice.
